

The Road Ahead with GenAI: What Advisors Need to Know

NOVEMBER 20, 2024

PANELISTS

Ari Lehavi

General Manager, Moody's
(Predictive Analytics and AI)

Rui Barreto

Director, Moody's
(Third Party Risk Solutions)

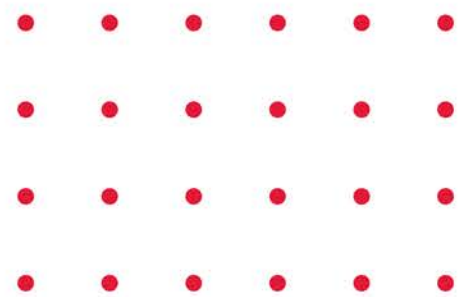

What is 'GenAI'?
How impactful is it?
How should we react to it?

Is GenAI something that advisors can ignore or is it going to transform their everyday processes?

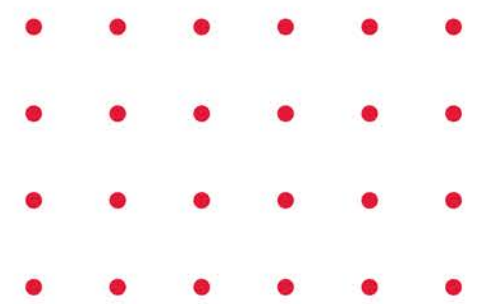

How can advisors befriend GenAI tools?

How is the rise of GenAI changing client expectations, and in turn, shaping the role of advisors?

How is GenAI revolutionizing the financial services industry?

Q & A

Ari Lehavi

General Manager, Moody's
(Predictive Analytics and AI)

Rui Barreto

Director, Moody's
(Third Party Risk Solutions)
